Neil and Steve have been providing high quality sports coaching in our school for several years. The team are well respected by both staff and pupils.

They supply an ever evolving range of coaching and cater for the whole primary range. Coaching in a small school can be a challenge, but the team have consistently listened to our needs and responded positively so all pupils can be involved.

I have no hesitation in recommending Ball Sports!

Curriculum/PPA AND CPD

We have delivered these services at many schools since 2008, we can simply deliver curriculum coaching which may be as simple as delivering your PE syllabus, PPA coaching is very simple, it allows your staff to have the break they need to continue to produce the great standard that you and they strive to deliver and produce. CPD we know that some schools like their teachers/staff to be part of this, we are currently looking at becoming affiliated with CPD services. We have delivered this in a number of schools, working with your staff to help them develop their skills in delivering PE sessions adequately and understanding why we do, what we do, when we do, and to a standard that Inspectors will be happy with!

Breakfast/Lunch time and After School Clubs

As a business we have successfully delivered extra provisional clubs at various schools throughout Shropshire, Powys and Telford and Wrekin. Breakfast clubs can range from anything such as wake'n'shake or general fun sessions and supervision. Lunch time clubs can be a simple supervision plan or arranging sporting events throughout lunch times e.g. refereeing the football and keeping the children in order! After school clubs are always in demand and we can deliver a wide range of sporting activities for at least 1 hr after school, we simply take charge from consent forms and payments to keeping a register and seeing the kids leave safely.

Prices start from £2.50P/C OR £20 P/HR

After School Care

This is a newly designed programme as requested by some schools, this is simply an After school care. Our aim is for children to be supported in their own chosen play, rather than having activities presented to them. We encourage children to communicate and develop their social interaction with others of different ages. Activities such as Painting, model-making and role play develop their imagination, and there will always be opportunities to let off steam outside using the playgrounds or fields, playing sports or just generally running around. If a child wishes to make a huge Lego model every evening, that's fine too, as we want to recreate a home-from-home atmosphere. All activities, snacks and drinks are always included in the session fee. This would run from end of school day till 5.30pm. We again would take charge from consent forms and payments to keeping a register and seeing the kids leave safely.

Prices Start from £5.50 P/C

The holiday camp maybe anything from multi sports or sport specific days to, general holiday camp care, very similar to the After school care. The times could be anything from 8.30am– 5.30pm.

Speed Cage Fundraiser/Challenge

We team up with you to provide your child and their classmates with a wonderful fun packed Event. This event is run by Ball Sports Community Coaching Ltd. The idea of the event is very simple, the children within the school, have a fun packed day , whilst the money that they raise gets split between The school and ourselves simply for us to cover costs of the wonderful packages available. We provide each child with a booklet, which has a sponsor form that they will be required to get friends, family members to sponsor the child however much they feel comfortable sponsoring. The more that they raise the better the gift package the child receives.

We have ran this before at other schools helping raise HUNDREDS of pounds!!!!!!
